### GREATER EAGLE FIRE PROTECTION DISTRICT

## **2024 BUDGET MESSAGE**

Greater Eagle Fire Protection District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to provide fire protection in the Greater Eagle area.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

### **2024 BUDGET STRATEGY**

The District's basic obligations are to provide fire protection services to the constituents of the Town of Eagle and the unincorporated areas in the surrounding areas not already covered by another fire protection district. The District's strategy in preparing the 2024 budget is to levy an operating mill levy to pay for the costs of providing fire protection for the District's constituents.
