For calendar year 2023, the Greater Eagle Fire Protection District collected Impact Fees in the amount of \$2,701 from Eagle County, \$248,678 from the Town of Eagle, and \$15,435 from the Town of Gypsum for a total of \$266,815. Those funds, along with interest earnings of \$115,099, were added to the fund balance of the Impact Fund and will be used to fund a portion of the current and future capital needs of the District.

During 2023, the District's Impact Fee funds were used to pay for a portion of the Shelton Station renovation and pumper truck. The remainder of the funds will be held in fund balance to be used for future capital needs.

On February 24, 2014 the Town of Eagle passed Resolution # 8 extending the time for the Greater Eagle Fire Protection District to expend or encumber all funds collected in connection with the subdivision and development of Eagle Ranch PUD until February 25, 2024. The impact fees subject to the extension above were expended prior to the end of 2023. The District is currently holding a portion of accumulated impact fee funds for apparatus replacements, potential construction of a Brush Creek substation, and other impact related capital needs.

This information is used to summarize and introduce the December 31, 2023 financial statements of the Impact Fund which are on the following pages.
